INTELLIGENCE MEMORANDUM

The India-Pakistan Situation  
(Supplement to Sitrep #61 - As of 7:15 AM EDT)

1. President Ayub Khan broadcast to his nation this morning, announcing that he had told his troops to lay down their arms as of 3:00 AM local time (6:00 PM EDT) although the UN cease-fire resolution is "not satisfactory." Ayub said he agreed to the cease-fire to prove to the world that Pakistan loves peace.

2. Ayub also stated that Pakistani forces would "stay where they are." This is in direct contradiction to the terms of the UN resolution. Pakistani forces have deeply penetrated into Indian-controlled territory only in Kashmir, where they have threatened the city of Akhnur for several weeks.

3. Ayub added that the "moral support of the Chinese and Indonesian people will always remain enshrined in our hearts."
